

REX SPOONS

EPPINGER MANUFACTURING makes the **Rex Spoon®** from the same high quality materials that have made the Dardevle® a worldwide performance lure for over 100 years. The **Rex Spoon's®** unique darting action and ultra flash consistently trigger aggressive strikes in game fish.

The Original REX SPOON®

Saltwater anglers pursuing Redfish, Snook, Mackerel, Trout and other prized inshore saltwater species have made the Rex Spoon part of their game plan for many years on the Gulf Coast.

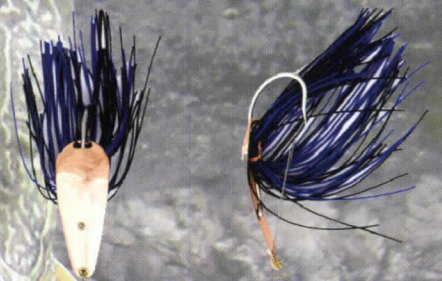

- Rex, Jr. Rex and Baby Rex come with Feathers only
- Feather Colors: Red, Black, White, Yellow, Orange, Chartreuse

The REX CLASSIC®

The Classic is a great spoon for taking bass out of deep cover and heavy weedbeds.
